

Taiga Spirit

Sustainable practices and commitments

Nature is our home, respect and preserve natural and cultural biodiversity

** Professional, friendly and sustainability engaged wildlife guide*

** Guests get to live like a local : make a fire, have a sauna, learn few word in Finnish*

** Effective Recycling system*

** Minimizing food waste*

** Using durable utensils*

** Reusing containers and bags*

** Minimizing use of water*

** We follow*

Outdoor Etiquette

** Annual donation to 4 nature protection associations*

** We inform visitors of the values of the site and their protection and encourage visitors to act responsibly.*

** Member of local nature association council*

** Solar panels installed in 2018 .*

** 40% less energy consumption from 2019 by installation of geothermal heating.*

** Use of local products, as well as organic and fair trade.*

** We Respect local habits, customs, local people and culture values.*

** Restoring furniture of the old house*

** Being part of local and regional networks and cooperating with local enterprises.*

** Using eco-friendly products*

Dear guests :

** Bring your own water bottle, you can fill it with our fresh and pure tap water*

** Use water and toilet paper responsibly*

** Switch off the light and electric devices when you are not in the room*

** Use trains and direct flights when possible*

** We change towels on demand*

" If we take nature as our guide, we will never get lost "

Aristotle.
